Attendance Drawing

Remember to wear your HRANF Name Tag to the meeting for the \$5 drawing that will accumulate each month until there is a winner. Sean Haynes-Maree's name was drawn as the winner for \$50. Sean donated the \$50 back to the club, next month's drawing will be for \$5.

December Meeting

December's meeting will be a little different this year. This year the club is not providing the banquet but asking everyone attending to purchase your meal. Please come whether you eat or not and if the cost is a burden please tell President Bob Hunt or Vice President Pete Combs. We are not having the monthly finds competition because we are presenting Hunter of the Year award and awards for each category. There will be a short business meeting with lots of time to socialize and tell our metal detecting stories. Everyone is asked to arrive around 6:30 to speed up time in the buffet line.

HRANF Website

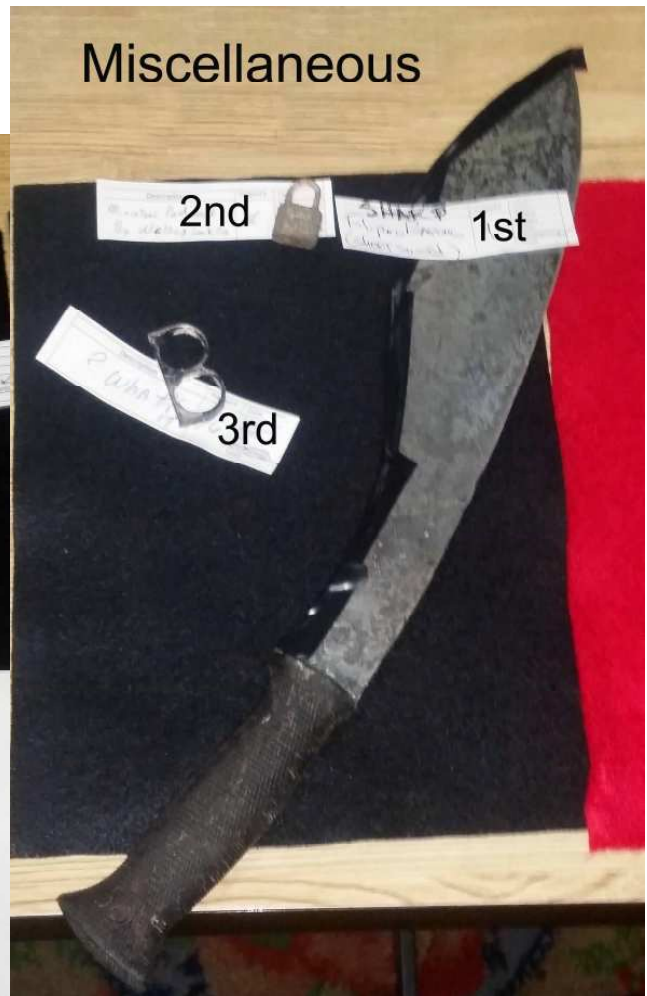

I have added a new tab called "Club News" on the website which has our newsletters posted. Share the club website www.hranf.com with your friends on social media. We are trying to update it with current information and new photos have been uploaded. Remember if you have a favorite website that has useful information for metal detecting, use the "Contact Us" page to send the address and maybe we can add it to the "Resource page".
