

# Threshold

October 9, 2025

**Center for the Historical Recovery Association of North Florida  
Dedicated to the Hobbies of Metal Detecting and Treasure Hunting**

**Next Meeting: Thursday, November 13, 2025 Time: 6:30 PM**

**Location: Holiday Hill Church, 730 Mandalay Road, Jacksonville, Florida 32216**

## **Where Do We Go From Here?**

What will be the fate of our metal detecting club? As most should know our President, Dianna has moved to Sarasota Florida and will not be our President in 2026.

We lost our treasurer nearly two years ago. Nobody would step up to help in that position. Our secretary, Kim Moore did double duty as secretary/treasurer until she got a new job and was unable to attend meetings this year.

Carol Carmody stepped up to help as secretary/treasurer but doesn't want the position again for various reasons. Our Vice President Allen Moore is not seeking re-election.

And for the advisor, Terry Sayre, I was adopted as a board member a little over two years ago. My job over the last nine years has grown into newsletter editor, information manager for membership emails, photographer, finds table coordinator, Facebook manager and website manager.

This next meeting on November 13, we will discuss the fate of the club. If we want the club to continue we need members to step up and fill the board positions.

# October finds of the month table.
